A diagram of a window with a title bar at the top. The title bar contains an 'X' icon on the left and three circles on the right. The main area of the window is a large rectangle. In the bottom right corner of the window, there is a small rectangle containing two stacked icons: a triangle pointing up and a 'V' shape.

A diagram of a rectangular box with a thick black border. The top-left corner is cut off by a horizontal line. The top edge of the box is labeled 'x'. The bottom-right corner is labeled with a Λ symbol above a 'v' symbol, both enclosed in small squares.

A diagram showing a large orange rectangle divided into several smaller orange rectangles by black lines. The top right corner of the large rectangle is labeled 'x'.

The diagram shows a large rectangular window with a light orange fill and a dark brown border. The top part of the window is a title bar, also with a light orange fill and dark brown border, containing the letter 'x' on the left and three small circles 'ooo' on the right. Below the title bar is the main content area of the window. In the bottom right corner of the main content area, there is a small, separate rectangular window with a light orange fill and dark brown border, containing the letter 'x'.

A diagram of a window with a title bar at the top containing an 'x' on the left and three circles on the right. The main area is a large orange rectangle. At the bottom right corner, there is a small box containing a lambda symbol (λ) above a 'v' symbol.

The diagram shows a window with a title bar at the top containing an 'x' icon on the left and three circles on the right. The main area is a large rectangle. At the bottom right, there is a small box containing two stacked icons: a triangle pointing up and a 'v' character. Below this box, there are three circles.

A diagram of a window with a title bar containing 'x' and 'ooo', and a small icon in the bottom right corner.

A diagram of a rectangular box. The top-left corner is labeled 'X'. The top-right corner is labeled 'O O O'. The bottom-right corner contains a small square divided into two horizontal sections, with 'A' in the top section and 'V' in the bottom section. The bottom-left corner of the box is labeled 'O O'. The box is outlined in black and has a light orange fill.

The diagram shows a window with a title bar at the top containing an 'x' icon on the left and three circles on the right. Below the title bar is a large rectangular area. At the bottom of the window is a status bar containing three circles on the left and a toolbar on the right. The toolbar consists of two stacked square buttons, the top one containing an upward-pointing arrow and the bottom one containing a downward-pointing arrow.

The diagram shows a window with a title bar at the top containing an 'X' icon on the left and three circles on the right. Below the title bar is a menu bar with three circles. Below the menu bar is a toolbar with three circles on the left and a vertical stack of two icons (a triangle and a square) on the right.

A diagram of a window with a title bar at the top. The title bar contains an 'x' on the left and three circles on the right. The main area of the window is a large rectangle. In the bottom right corner of this area, there are two small squares stacked vertically. The top square contains the Greek letter Λ and the bottom square contains the letter 'V'.

The diagram illustrates a large rectangle containing a smaller rectangle. The large rectangle has an 'x' in its top-left corner and three 'o's in its top-right corner. The smaller rectangle, positioned in the bottom-right area of the large rectangle, has an 'x' in its top-left corner.
